Mission Statement

At RSR, our mission is to offer the finest camp experience which includes a safe, quality, fun-filled Scouting program for every Scout, leader, and their families in camp.

In order to make this possible, we recruit only the best volunteer staff members who are dedicated to the Scouting program, professional in demeanor, and attentive to detail and customer service. We strive to be the “Living breathing example of the Boy Scouts of America, right off the cover of Boys’ Life Magazine!”

About RSR

RSR is operated by Rainbow Council, which delivers the scouting program to the communities located in Will, Grundy, and Kankakee counties. Rainbow Scout Reservation is a 737-acre preserve located in Grundy County approximately 60 miles southwest of Chicago and 25 miles southwest of Joliet. The Rainbow Council Service Center is also located on the reservation. The camp has been in service since 1968 and contains a variety of terrain, including prairie remnants, lakes, wooded river bottoms, soft and hard woods, and rugged topography.

Dietary Needs

Scouts, unit leaders, and family members that have special dietary requirements need to be communicated to the Family Camp Event Team. This information needs to be communicated to camp on arrival. We will do our best to accommodate your special needs but will have limited opportunity for meal and menu adjustment.

Identify Your Unit Leader

In the interest of a smooth and efficient Family Camp experience for all, we recommend that each unit identify one leader from your group to assist in providing direction and leadership to your unit members. Many participants will be experiencing RSR Camp for the very first time and we want everyone to enjoy their time sharing in the experience together. Your help and leadership will ensure the prospect of a memorable and enjoyable experience for all.

Health Office

RSR has a first aid building/medical office with supplies; available at all times to provide first aid services to any camper, visitor, or staff member. Designated persons will be available to attend to emergency needs if they arise. The majority of health concerns and first aid needs are minor and handled at the health office. In the event a camper requires further medical treatment, designated contacts will be immediately notified by the camp director.

RSR complies with local, state, federal, and Boy Scout of America standards and regulations. Medications need to be brought to camp in their original container.

Trading Post

RSR's trading post is stocked with a wide variety of snacks including ice cream, candy, chips, beef jerky, and much more! In addition, be sure to check out a large assortment of Scouting related literature, patches, and Order of the Arrow merchandise. The trading post will be open Friday evening as well as from 11am to 3pm on Saturday.

RSR Guidelines

Emergency Plans

RSR places the utmost importance on maintaining the safety and security of our campers, unit leaders, visitors, and staff. While enjoying the outdoors and the features of our wonderful camp, there are a variety of situation that come up unexpectedly. Campers' and unit leaders' cooperation and preparedness are essential to RSR resolving any situation calmly and safely. Unit leaders and campers will be briefed on emergency procedures when they arrive for check-in. However, please review the instructions with your unit adults and Scouts, and ask any questions when you check in.

In an emergency situation, RSR uses 2 different signals; an intermittent siren and a continuous siren.

If the emergency siren is activated, all campers, adults, and guests must report immediately to the dining hall. Once there the Unit Leaders must take a head count and report to RSR Family Camp staff. Follow all instructions given by RSR Family Camp staff promptly.

RSR Camp Visits

Parents and family members are always welcome at RSR. In order to maintain proper safety protocols, ALL visitors are required to sign in and sign out at the Medical Office (Building directly in front of and across from the Trading Post). RSR is proud to invite parents and families that are not camping with us to come out on Saturday to visit their Scouts and families, check out RSR, and stay for the closing campfire ceremony. While meals are available for purchase over the summer during Resident Camps, this will not be available to visitors during Family Camp.

RSR Rules and Regulations

Please review the following rules regarding unit leaders, campers, and visitors to RSR:
